STAY CONNECTED & SET UP A VIDEO CALL

We have launched a new way for you to connect with your loved ones here at Cedarbrook Lodge using the [Google Duo Video Call service](#).

To participate in this program all you will need to do is use your smart phone, tablet or computer and a Google Duo account with a phone number linked to Cedarbrook's account.

It's really simple! All you need is a device: Android or iPhone (iOS). You will need to follow the steps below to get started:

Step 1: Download the Google Duo App: Android or iOS

Step 2: Verify your phone number, the app will ask for your number and send you a SMS verification code

Step 3: Connect your Google Account to your Duo account if you want to use Duo across all your devices such as tablets

Step 4: Add Cedarbrook Lodge as a contact (see below). Provide our team with your phone number connected to your account, so that it can be linked to our Duo account, so we can help start the video call with your loved one.

Appointments can be made at reception
